Being present and on time for required concerts, rehearsals, and performances is an important part of participating in the dance program. Attendance is crucial to the overall professionalism and success of your class' piece and of the concert itself. We have done our best to compile these dates and times as early as possible in the year so you may plan accordingly. Although we would like to accommodate everyone's schedules, we are not able to change any of these dates and times. Please adjust your calendars and plan ahead in order to ensure your presence. Please feel free to contact us with any questions or concerns.

ADDITIONAL INFORMATION: The performances will be held at the Enloe Auditorium. Please note that the students need to arrive one hour before they are to perform onstage. General admission tickets for the Honors Level Concerts are \$7 students/adults. Spring Dance Showcase admission is \$5.00.
