Students in the **Enloe High School Dance Department** are required to participate in two dance concerts each year as part of our curriculum. These are an important part of the total learning experience. The dates of the performances are announced the first week of the school calendar.

Attendance for lighting rehearsals, technical rehearsals, dress rehearsals and the actual performances is required and is excused only in the event of an extreme illness (a note from a doctor is required) or in the case of a major family emergency. **Please schedule any routine appointments (doctor, dentist, etc...) so that they do not conflict with in-school and after-school rehearsals and performance dates for at least one month prior to the performance date.** If a student misses a rehearsal for any other reason, the student's grade will be lowered.

Students are expected to arrive at least 15 minutes before their scheduled rehearsal time to warm up. The students are expected to arrive to the theater one hour before a performance, unless their teacher states differently. If a student arrives late for a rehearsal or performance, their grade will be lowered.

VIDEO POLICY: Audience members attending the EHS dance performances are NOT permitted to film the concert. We hire a videographer to film the show and sell copies of the concert. Thank you for agreeing to and following this policy.

A student is expected to be present for the performance of their class (unless there is an illness, injury, or family emergency). It will be the up to the teacher's discretion whether or not to include a student in a class dance if the student will not be present for all of the rehearsals and performances. Failure to participate in the performance experience will result in the lowering of the student's quarter grade. **Please see concert rubric for the grade requirements on Remind.**

If you are interested in purchasing school medical insurance please contact your homeroom teacher.
